

AMENDMENTS TO THE DRAWINGS

Submitted herewith is one replacement sheet of Figure 4, which is intended to replace the previously submitted drawing.

Attachment: One (1) Replacement Sheet

REMARKS

The change to the drawing is in response to the Examiner's Amendment of the Notice of Allowability, dated August 14, 2007, in which the specification was amended to change the second use of the numeral "12" to "21". In the drawing, the left-most reference numeral "12" has been changed back to "21" in order to avoid using the same reference numeral for different parts, to comply with 37 C.F.R. § 1.84(p)(4), and to retain consistency with the specification. No new matter has been introduced.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
